

Carl Wyne S. Gallardo

Balingasag, Misamis Oriental, Philippines, [+63 967 218 2163](tel:+639672182163), carlwynegallardo@gmail.com,

SUMMARY

IT graduate and full-stack web developer with hands-on experience building and managing business websites for companies in the United States. Skilled in front-end and back-end development, web application development, and system troubleshooting, with additional experience in presentation design, document generation, and client-facing system proposals. Works effectively in remote teams and is eager to apply technical expertise and problem-solving skills to deliver reliable, high-quality digital solutions.
